

## Easterly Echoes

Mr. and Mrs. Douglas Steele, nee Ruth Schoer, are the proud parents of a baby girl, April Ruth, born on Wednesday, Jan. 15 at the Wainwright hospital.

Mr. Chester Feero was a visitor last week at a lumber mill at Carrot Creek.

Mr. and Mrs. James Fenton left Tuesday on a trip that will include stop-overs at Edmonton, Calgary, Vancouver and Seattle.

The second meeting of the recently formed Calf Club is to be held in Wainwright on Saturday. Among the boys from this district taking part are Foster Barton, Claire Feero and Larry Funk. We wish these boys the best of luck when they show their calves next summer. The organizer assisting the district agriculturist is Mr. Stuart Fenton, in this community.

Friends of Miss Martha Ziola have received word of her recent marriage to Mr. Leonard Losdale of Winnipeg. Mr. and Mrs. Losdale are making their home in that city.

A truck driving up the Battle River from the bridge towards the swimming hole went through the ice at the rapids. After much trouble and the use of a tractor the truck was brought to shore. We understand this was Mr. Blanchard hauling water for the rink in Irma.

## Wedding Bells

BASSO—HUGHES

A quiet but lovely wedding took place 2:30 p.m. Jan. 10 in the St. Thomas church of England at Wainwright, when Miss Marie Hughes, fifth daughter of Mr. and Mrs. F. A. Hughes, became the bride of Sgt. Leno Basso, second son of Mr. J. Basso and late Mrs. Basso of Belleville, Alta.

The Rev. G. Brant officiated. Given in marriage by her brother, Garnet, the bride looked beautiful in an ivory, satin dress with a white net over a skirt trimmed with ivory satin bows. Her floor length veil was held in place by white gardenias. She carried a bouquet of red roses and the only jewelry she wore was a locket, a gift of the groom.

Miss Fredda Hughes attended the bride as maid of honor and Miss Pauline Hughes as bride's maid. Fredda Hughes was gowned in blue taffeta with a matching chapel veil. She carried a bouquet of pink and white carnations. Miss Pauline Hughes chose a gown of pink sheer and matching chapel veil. She carried a bouquet of pink and white carnations.

Mr. Alphonso Dotta of Belleville was best man.

During the signing of the register, Mrs. June Cartier played, "Precious Love."

A reception to twenty guests was held in the Wainwright hotel. The bride's table was laid with white linen and centered with a three-tiered cake. Toast to the bride was proposed by Rev. H. G. Brant.

For her daughter's wedding, Mrs. Hughes chose a two piece suit of brown crepe complete with black accessories and a corsage of white carnations. Mrs. Birmingham, a friend of the groom, chose a blue two piece suit complete with white carnations.

In the evening a dance was held in the separate school.

## IRMA BOARD OF TRADE

The annual meeting of the Board of Trade was held in Hedley's hall Tuesday evening Jan. 21. New officers were elected for the coming year as follows: Mr. H. Targett, President; C. Milne, Sec.-treasurer; Wm. Milburn, vice-pres.; directors, R. McFarland; W. Masson, S. Hlynka.

Several subjects were discussed including the New Hospital, a crematory and natural gas for the village. A donation of \$5.00 was voted for Mr. C. Milne, for his services as Sec.-Treas. for the past year. All present paid in their dollar for membership for the coming year. The Board needs more members. Come all and join up and see and help in what's doing for all our benefits.

## Northern Nuggets

Mrs. J. G. Ramsey spent a few days early this week with her mother Mrs. Nash.

Miss Freda Wright was a weekend visitor at the home of Mr. and Mrs. J. B. Allen.

Mrs. F. Lukens is a patient in the Mannville hospital at time of writing. We wish her a fast recovery.

Mr. and Mrs. W. D. Ramsay, Mrs. E. Allen and Robt. celebrated at Mr. and Mrs. C. Ramsay's Tuesday. The occasion was Master Robt Ramsay's first birthday anniversary.

Mr. Lloyd Johnston and Mrs. H. Johnston returned home Saturday from Edmonton.

Mr. R. C. Johnson and Robin were Sunday visitors at the home of Mr. and Mrs. J. Allen.

Mrs. Arnold Hill spent a few days early this week with her sister Mrs. Ivan Hardy.

Mr. Robt Allen had the misfortune to over turn the half ton truck last week. The brakes locked as he was descending the Grizzly Bear Coulee just south of Mannville. No injuries were received.

Mr. Clare Lukens has been seen back in the country again. Welcome home.

Mr. and Mrs. Edgar Jones celebrated a wedding anniversary early this week.

## Hockey

On Wednesday January 15th, Irma and Viking clashed in a Gas Line League hockey game that to the fans, proves that our hockey is getting faster all the time.

The first period though scoreless proved to be the gauge by which the rest of the game was set, with both sides laying on the body checks heavily and often. There was only one penalty in this frame, going to Taylor of Viking for charging.

The second frame started just as fast as the first and was about half way through before Smith and Glasgow teamed up to ring the bell for the first marker of the game. There were several arguments in this period and Walker of Irma drew the first penalty for kneeling but was followed to the cooler by Taylor and R. Ross of Viking in quick succession.

The third period though being the last was far from being slow. Smith again scored in this period in a scramble around the net so there was no assist. This closed the scoring for the game but Viking never stopped trying until the final bell rang on a 2-0 victory for Irma.

Remember Irma fans, you have a good hockey team and the games are getting rough enough to please the most blood-thirsty critic, and the competition is getting keener because we are entering the last half of the schedule, so come out and cheer the home town team at every opportunity. Watch for posters announcing games and keep that door open to boost your local team.

## PEE-WEE HOCKEY

On Saturday January 18, the Irma Roughriders went to Wainwright to play hockey. Irma came out on top with a score of 3-0. This was Walter Enger's first shut-out. The play was slow due to soft ice. At the end of the first period there was no score but early in the second stanza D. Hockett scored from B. Mason. Later, M. Erickson, on a pass from A. Enger, made the score 2-0 for Irma. In the last period D. Hockett scored again, this time from B. Mason. Wainwright tried hard to score during the last period, but failed. There were 4 penalties handed out, 2 going to Irma and 2 for Wainwright.

## HOME GAMES OF SECOND HALF OF GAS LINE LEAGUE

## U.F.A. CONVENTION

The thirty-eighth annual convention of the United Farmers of Alberta was held in the Palliser Hotel in Calgary January 14 to 17. Inclusive, with 288 registered delegates representing 600 locals, and more than 400 visitors in attendance, it was considered by the officials to be one of the most successful meetings of this organization in recent years.

Upwards of 100 resolutions came before the meeting, dealing with a variety of subjects of vital concern to the Agricultural population as well as many which dealt with matters that applied to every citizen of the Dominion.

Amalgamation of the farm movement in Alberta, provided that it means continued support of the Alberta Federation of Agriculture, was carried by an overwhelming vote at the final sessions on Friday.

For each of the four days of the convention the two questions of amalgamation and non-delivery strike occupied a considerable part of the agenda; On the first day the A.F.A. unanimously endorsed a proposed constitution for an amalgamated farm body, composed of the A.F.U., U.F.A. and A.F.A., doing so mainly as a gesture knowing that rejection of the constitution by the A.F.U. the week before had killed it.

As debated at length with no vote stood on a non-delivery strike, as debated at length with no vote taken. On the third day there was further debate and the meeting voted to authorize a strike if a three quarters majority of the entire membership favour it. On the fourth day the delegates with only three dissenting votes, authorized renewal of amalgamation talks.

Friday's motion stated, "Resolved that the UFA and UFWA make every move possible towards an amalgamation provided continued support of the Alberta Federation of Agriculture and the Canadian Federation of Agriculture shall be made a condition of such amalgamation."

The convention spent considerable time on a resolution calling for public ownership for hydro as a prerequisite of an adequate system of vital electrification. There was virtually no opposition.

A resolution was passed calling on the Provincial Gov't to institute a system of compulsory automobile accident-insurance, in line with that presently in force in Saskatchewan. Another registered opposition to daylight saving time, as not being in the best interests of those engaged in Agriculture. The resolutions which could not be dealt with by the convention owing to lack of time was turned over to the Board of Directors for action.

The Hon. James G. Gardiner, Dominion Minister of Agriculture addressed the delegates on Tuesday. He dealt extensively with the question of income tax as it applies to farmers, and the proposed new policy of an acreage bonus for the production of barley to encourage increased hog production. The convention also heard an interesting address by V. B. Williams of Regina, publicity agent for the PFRA in which he discussed the operation of the Act and the difficulties encountered in its application. He also gave figures showing the contributions made by each of the three prairie provinces and also the amounts paid out to the farmers in the three provinces. He answered many questions satisfactorily.

On Thursday night a capacity crowd filled the main ball room of the Palliser for the annual UFA old time dance where everybody enjoyed themselves to the fullest extent.

"Transients are only in the city for a few days at a time but the residents have to live there and bring up their families 365 days in the year."—Rev. John Coburn.

"We must concentrate on social development to keep pace with our scientific development if material science is not itself to destroy the material civilization it has built."—Premier Drew.

## Curling News

Some of our local curlers, namely R. Kirkman, J. Fletcher, C. Anquist and S. Hlynka took in the bonspiel at Hardisty and astounded the local populace by going straight through to the prizes in two events before meeting their Waterloo. Strange as it may seem both rinks which defeated them were from Killam, guess it should have been Killam.

## IRMA HI SCHOOL BONSPIEL

The Irma High School Bonspiel was played off on Saturday, Jan. 18. Rinks skipped by Art Pierce, Pete Kozak, Joyce Dawson, Ronald Currie, Barry Holt, Arthur Elliot, Carl Soneff and Jackie Fletcher took part.

In the Grand Challenge, Kozak won from Pierce; Currie won from Dawson; Holt won from Elliot; Fletcher won from Soneff. Then Currie won from Kozak; Holt won from Fletcher and Currie won from Holt in the finals.

A consolation was then played off, Pierce winning from Dawson and Soneff winning from Elliot. Pierce then won from Soneff.

This is the first year the High Schoolspiel has played for prizes and this fact added zest to a very happy day.

The Grand Challenge prize was donated by R. L. Rohrer of the Imperial Lumber hardware. The students collected among themselves for the consolation prize.

There seems to be plenty of good material in Irma High for future members for the Irma curling club. Many of these youngsters had never thrown a curling rock before this spiel, but to some of us looking on, who for the past four years have been trying to curl, it was nothing short of a marvel to see how quickly these beginners caught on. A High School rink has been formed recently and added to the regular schedule. This rink is composed of Carl Soneff, Barry Holt, Jack McKie and Ronnie Simmermon. While Mr. Pryce Jones has been tutoring Art Pierce, Ronald Currie and Arthur Elliot by having them play on the regular schedule with him for the rest of the season.

## WESTERN AGRICULTURAL AND CPA ANNUAL MEETINGS

Jas. Jackson left on the CPR train No. 4 on Tuesday night for Winnipeg to attend the annual meeting of the Western Agricultural Conference which opens at the Fort-Garry Hotel on Thursday morning and continues for three days. At this conference, delegates from the four western provinces will deal with the resolutions from the agricultural organizations of Western Canada in preparation for the annual convention of the Canadian Federation of Agriculture which is being held on Jan. 28, 29 and 30 at the Fort-Garry Hotel in Winnipeg.

## RED CROSS APPEAL FOR \$5,000.00 TO OPEN MARCH 3

Toronto, Jan. 16—With \$5,000.00 as the objective, the 1947 National Red Cross Appeal will open Monday, March 3, it was announced today by Arthur L. Bishop, Chairman of the Canadian Red Cross National Executive.

"The \$5,000,000 is for the vitally important peacetime work that can be done by your Red Cross," said Mr. Bishop. "It is equipped and ready to redirect that experience and strength developed in the war to a great programme for the benefit of all Canada. To carry out this program, Canadians are asked to give their wholehearted support."

"Voluntary contributions to the Red Cross made by Canadians during the war were for war purposes only and most of this money has been expended. The balance is earmarked for and is being spent on civilian relief. Under the War Charities Act, it cannot otherwise be used."

## CARD OF THANKS

We wish to express our sincere thanks to all those who have so kindly helped us in any way since we lost our home by fire.

Mr. and Mrs. Del Smith and Clark.

## Items From Kinsella District

Mr. and Mrs. F. Greenwood and family who have farmed in the Overleigh district for a number of years, have left to make their home in Ontario.

Recent visitors to Edmonton included Mrs. M. Wilkinson and Maxine, Mrs. F. Long, Messrs. P. Long, H.-Dong, A. Loades, W. Brown and D. Corbett.

Betty Olsenberg had her friend Wilma Weaver for her week-end guest.

A large number of Kinsella school children enjoyed the children's show at Viking last Monday afternoon.

Mr. and Mrs. F. Jack and Elaine visited at Irma on Sunday.

Mrs. J. Johnston is visiting Mrs. J. Murray for a few days.

A house warming party for Mr. and Mrs. I. Daniels was held at their home Sat. evening. About thirty of their friends were present.

Mr. W. Brown left for the U.S. Saturday evening to attend the funeral of his uncle.

## ALBERTA SCHOOL TRUSTEES' ASSOCIATION

### A Problem for Alberta

The newspaper reports from Edmonton of the meeting of the Alberta School Teachers, during the Christmas holidays; should be a cause of concern to all parents in Alberta.

According to the figures given there is a shortage of approximately twenty-three hundred teachers in this province and between eighteen and twenty percent of the children are receiving their education by mail. This is a serious situation.

The reason for this shortage of teachers is obviously the smallness of the salaries and the lack of assurance of a promising future.

It is impossible to expect the municipalities to assume a larger share of the cost of schooling and therefore it is up to the government to shoulder the additional burden.

It is generally recognized that the progress of a nation depends upon the soundness of its educational facilities. This being the case there should be no argument as to where the duty of the government lies.

Jennie Elliot, Convenor of Press Committee.

For your collection of Thought Starters. If you've got enough push the pull will take care of itself. . . . There is no limit to the good a man can do if he doesn't care who gets the credit for it. . . . A man who watches the clock generally remains one of the hands. . . . Minds are like parachutes—they only function when open. . . . Time tells on a man—especially a good time. . . . Some folks call 'em hick towns because there's no place to go they shouldn't. . . . The best helping hand is at the end of your own arm. . . .

"While nations are sitting in together to solve all problems and even to help their former enemies, I think it would be only proper that our government assist those who need it back home."—E. V. McCarthy.

Q. If one is financially unable to go away for treatment, should he continue to lie on the porch, protected by curtains, in preference to remaining in a room heated by a stove?

A. It is important to have an interchange of air and in all probability this is best gotten out of doors. However, I think it is better for a patient to be in a well ventilated room and comfortable than to be out of doors and uncomfortable, especially when it is necessary to use heavy clothing to keep warm.

Q. Would a sleeping bag be injurious to one who has T.B. if he sleeps on an open porch?

A. No.

**ORDER SEED EARLY**

Each year in this column I write this same little message. I only repeat it because I know from letters that this annual reminder does seem to help a number of farmers. The message is this. **ORDER YOUR SUPPLIES OF REGISTERED AND CERTIFIED SEED AS QUICKLY AS POSSIBLE.**

For the last three years, supplies have been short. Many farmers who ordered their seed late in the season were seriously disappointed, and so handicapped in their farming operations because the seed growers' supplies of good seed were exhausted. There are always unexpected hazards with good seed. At the last moment, even when seed has been promised to be delivered, the stocks may not finally pass government inspection perhaps because of low germination, or because of a slight trace of weed seeds or of other grains that cannot be removed by cleaning; often then it is too late to secure other stocks. The remedy, then, if anything happens, there then, is to order seed early; and is still a chance to purchase other supplies. I do not believe there is any investment a farmer can make that will bring him more profitable returns than the purchase of a few bushels of the best Registered or Certified seed, sown each year on a few acres of new breaking or clean summerfallow.

**BEES DO MUCH MORE THAN PRODUCE HONEY**

Bees are kept principally for the production of honey and wax but these two products do not represent the true value of the bee in the economy of the country, says C. B. Gooderham, Dominion Experimental Farm, Ottawa.

The raw material from which honey and wax are made is nectar secreted by flowers of all kinds and taken from them by bees. Flowers are part of the reproductive system of plants, enclosing the stamens or the pistil which are the male and female organs respectively. In many varieties of plants, the stamens and pistil are borne in separate flowers or even on separate plants. In others, the two are enclosed in a single flower. So as to bear fruit, seed or vegetable, pollen must be transferred from stamens to the pistil. This may be done in several ways but the chief agents are performing this service are insects. Of the insect agents the honey bee is the only one of them whose numbers can be controlled and who can be transported to any place where her services are required.

The transfer of pollen from stamens to pistil is termed pollination which in itself is not sufficient, fertilization must follow. In many cases, especially in fruit-bearing plants, the flowers of one plant cannot be fertilized by pollen of the same plant—self pollination—consequently, pollen must be brought to it from some other plant of the same species, cross pollination, before fruit or seed can be formed. Cross pollination is considered to increase production even though the flower is capable of self pollination.

The honey bee, spending most of her active life among the flowers and gathering practically all of her supplies from them is the most active and efficient agent in transferring pollen from one flower to another. Because of this fact many fruit and seed growers either rent bees or become beekeepers themselves solely for the increase of crop that can be secured from the service rendered by the bees to the flowers alone. It has been estimated that honey bees are of far greater value to the producers of fruit seed and vegetables than to the beekeeper himself.

at an age of 86 years, 3 months and 17 days old.

He was born at Jordan Ford, Norway on the 24th of Sept. 1860, and at an age of 22 years came to U.S. In 1887 he was united in marriage to Miss Clara Haugen. Together with his wife and two daughters, he came to the Viking district in 1904 and located on a homestead south-west of Viking. Some years later he sold the homestead and bought the present farm. Due to ill health and being alone, he moved in November of last year to live with his daughter, Mrs. Wm. Schnyder.

**JUDGES PICK ALBERTA WINNERS**

Grain experts who know requirements of good barley in the inspection rooms of the Board of Grain Commissioners at Winnipeg on December 31 picked out samples of 35 Alberta farmers as the best entries from their Province in the \$25,000 National Barley Contest sponsored by the Brewing and Malting Industries of Canada. Four were picked as Provincial winners, and the other 31 were awarded cash prizes in their regions. In all they took \$9,545 of the prize money. Best sample of Alberta Malting Barley in 1946 was grown by George W. Johnson, Red Deer, awarded \$400. The other three Provincial winners were Ted Cassavant, Legal, \$300; Louis St. Arnaud, Vimy, \$200; and Ray Niemela, \$100. Left to right in the picture is judging panel, A. C. Wilson, Edmonton, Alberta Field Crops Commissioner; Prof. A. G. McCab, head of Plant Science Division, University of Alberta; F. S. Laidlaw, Winnipeg, Chief Inspector, Board of Grain Commissioners; J. E. Blackman, Winnipeg, District Inspector of Dominion Department of Agriculture; Plants Production Division; A. E. Elders, Canada Malting Co., Winnipeg, Malting from the panel is D. S. Kaufman, Dominion Malting Co. In front of judges is Prof. T. J. Harrison, Chairman of the National Barley Contest Committee. The Alberta Provincial champions are contenders in the Inter-provincial Contest, which carries four prizes of \$1,000, \$500, \$200, and \$100. These will be determined at the Manitoba Winter Fair at Brandon the week of March 31.

# IMPORTANT GOVERNMENT NOTICE

## Respecting Price Control

The Wartime Prices and Trade Regulations (Order in Council P.C. 8528 of November 1, 1941) established basic period maximum prices for goods and designated services. These regulations were passed under the authority of the War Measures Act and continued in force under the National Emergency Transitional Powers Act, 1945.

From time to time these basic maximum prices have been varied or the fixed maximum has been suspended in the case of particular goods and services by Orders issued by the Wartime Prices and Trade Board under the authority of the above Regulations. A few days ago a substantial number of suspensions from price control was announced.
